

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

PREFACE

THE controlling ideas in the preparation of the Practical Spelling Lessons Series may be briefly stated as follows : —

1. *The selection of words.* The list is limited to words in common use. Unusual words are either omitted altogether or are placed in supplementary lists.

2. *The careful grading of the words.* The lessons are presented at the time, as shown by extended experience in classroom, when they can be used to best advantage by pupils.

3. *The introduction of words in sentences.* New words are first presented in sentences for dictation which are easily within the comprehension of children. This helps in the association of the form, sound, and meaning of the words. The words are printed without syllable indication to train in visualization. In most of the lessons the new words are printed a second time showing syllables and accent marks to aid in pronunciation.

4. *The systematic review of words.* The reviews are varied, frequent, and timely. They are sufficient without waste of time to fix the correct forms of the words. Irregular verbs, certain plurals and numerals, and other troublesome words have been given the extra drill which they require.

5. *The effective presentation of homonyms.* Homonyms are first presented separately so as to avoid unnecessary confusion, but they are afterwards drilled until there is no question in distinguishing the form and the use.

6. *The presentation of simple spelling rules.* The opportunity is given for the practical application of the most useful spelling rules.

7. *The teaching of pronunciation.* The spelling words are presented in syllabicated form with accent indicated for correct pronunciation. The words are printed also without division into syllables in order to aid in the correct visualization of the word.

THE THREE BEARS

PART ONE

1

Read the story of the three bears.

sto'ry	bears	read
ride	riding	give

2

I bought a string of beads.

beads	string	bought
make	making	three

3

We ate lunch at noon.

ate	lunch	noon
take	taking	book

4

There is no flag in any land

Like our own red, white, and blue.

land	own	there
have	having	hear

5. Review

land	beads	there	bears
own	story	bought	noon
read	lunch	ate	string

NOTE. — New words are underlined. All others are review words.

PRACTICAL SPELLING LESSONS

WORDS NEEDING FREQUENT DRILL

These common words are often misspelled. Study them thoroughly and write them in sentences.

When *ing* is added to most words ending in *e*, the *e* is dropped.

bathe + *ing* = *bathing*

baking	driving	moving	smiling
biting	hating	saving	smoking
dancing	hiding	shaking	spading
daring	icing	skating	using
dining	losing	sliding	writing

Here is a list of words ending in *e*. Copy this list and add *ing* to each word. Remember to drop the final *e*.

ride	face	skate	wake
give	come	smile	love
divide	make	drive	tame

When *ful*, *ment*, or *ly* is added to most words ending in *e*, the *e* is not dropped :

hate *ful* *move* *ment* *love* *ly* *use* *ful*

Write the alphabet.

- a Find in this book five words beginning
b with the letters as shown here.
c Make a second list using the next letters
d of the alphabet. Continue the exer-
e cise.

BOOK ONE — PART ONE

When *ing*, *er*, *ed*, or *y* is added to these words, the last letter is doubled.

Study these words thoroughly :

rob	robbing	robbed	robber
rub	rubbing	rubbed	rubber
stop	stopping	stopped	stopper
trap	trapping	trapped	trapper
fog	foggy	skin	skinned
spot	spotted	sit	sitting
beg	begged	begging	begged
drag	dragged	dragging	dragged
drop	dropped	dropping	dropped
swim	swam	swimming	swimmer
whip	whipped	whipping	whipped

Change *y* to *i* and add *es* :

candy + es = candi + es

candy	candies	fly	flies
city	cities	family	families
cooky	cookies	lady	ladies
copy	copies	lily	lilies
daisy	daisies	penny	pennies
fairy	fairies	story	stories

Add *s* :

donkey	donkeys	chimney	chimneys
--------	---------	---------	----------

PRACTICAL SPELLING LESSONS

DICTATION EXERCISES

The north wind brings the snow,
The east wind brings the rain,
The south wind brings the sunny days,
The west, the flowers again.

Summer is coming, summer is coming,
I know it, I know it, I know it.
Light again, leaf again, love again,
Yes, my wild little poet. — *Tennyson.*

In winter I get up at night
And dress by yellow candle-light.
In summer quite the other way,
I have to go to bed by day. — *Stevenson.*

The farmer reaps the golden wheat,
The baker makes the bread to eat,
And mother spreads the slices thick,
And then we eat them very quick.
— *Seegmiller.*¹

The earth was green, the sky was blue :
I saw and heard one sunny morn
A skylark hang between the two,
A singing speck above the corn. — *Rossetti.*

THE FOUNTAIN

Into the sunshine
Full of the light,
Leaping and flashing
From morn till night.

Into the moonlight
Whiter than snow,
Waving so flower-like
When the winds blow.

— *Lowell.*

PART THREE

AMERICA

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing:
Land where my fathers died,
Land of the Pilgrims' pride,
From every mountain side
Let freedom ring.

My native country, thee —
Land of the noble free —
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake;
Let all that breathe partake;
Let rocks their silence break, —
The sound prolong.

Our fathers' God, to Thee,
Author of liberty,
To Thee we sing;
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King!
— Samuel Francis Smith, D.D.

THOUGHTS FOR THE NEW YEAR

Who comes dancing over the snow,

His soft little feet all bare and rosy?

Open the door, though the wild winds blow,

Take the child in and make him cozy.

Take him in and hold him dear,

He is the wonderful glad New Year.

— *Dinah M. Mulock.*

Review page 118.

BOOK ONE — PART THREE

ADDING SUFFIXES¹

ing, ed, er, est, y, ure, ful, ly, ment, less, are suffixes.

Which of these suffixes begin with a *vowel*?

These are *vowel suffixes*.

Which of these suffixes begin with a *consonant*?

These are *consonant suffixes*.

Most words ending in *e* drop the *e* in adding a *vowel suffix*:

hate + ing = hating large + er = larger
shade + y = shady fine + est = finest

Most words ending in *e* do *not* drop the *e* in adding a *consonant suffix*:

hate + ful = hateful shade + less = shadeless
love + ly = lovely improve + ment = improvement

DOUBLING THE FINAL CONSONANT

drag	rob	sit	stop	trap	whip
drop	rub	spot	thin	trip	swim

Each of these words ends in a single consonant following a single vowel.

When we add to such words a vowel suffix, the final consonant is doubled:

rub + er = rubber sit + ing = sitting

You may add some vowel suffix to each of the above words, making the proper change in the final consonant.

¹ Pupils should understand what is meant by a vowel and a consonant.

PRACTICAL SPELLING LESSONS

SUGGESTIONS TO THE TEACHER

Many exercises should be given during the year illustrating the rules given on page 119.

There are comparatively few exceptions to the rules, and these exceptions can be memorized as they arise. Later in the course these exceptions will be presented in lesson form.

It is important that frequent reviews of the work on suffixes in Parts One, Two, and Three should be given.

Learn to spell these words, and arrange each column alphabetically :

co'zy	loss	swear	treat
blond	jamb	salve	seam
a wake'	eaves	rye	veil
beak	gear	roast	tough
ac'tor	false	moan	yoke
check	group	numb	tease
arch	hew	pulp	vin'e gar

term	nearly	thus	car
serve	miss	sort	oh
past	alone	duty	skirt
fail	crazy	mind	round
list	pack	chance	Miss
meal	most	along	badly
seem	clothe	lately	firm
cure	enter	fact	grant

BOOK ONE — PART THREE

146

Springville, N. Y., April 1, 19 . .

Dear Cousin William,

I am visiting my uncle Henry and am having a good time. Yesterday we were in the woods cutting fence posts. Tomorrow we shall draw them up to the barn. I like to drive the horses.

Will you write to me and tell me all about the people at home?

Your cousin,

Eugene Vedder.

147

I shall mail you a sample tube of glue.

mail	sam'ple	tube	glue
separate	shoulders	defends	coward

148

The carpenter brought an auger, a plane, a latch, and a hinge.

sentence	bananas	repeat	question
----------	---------	--------	----------

149

Will you accept the position?

We eat syrup on waffles.

profit	practice	concert	library
--------	----------	---------	---------

150

The thunder and lightning were followed by a shower.

You can not coax a kettle of water to boil.

factory	initials	errand	vacant
---------	----------	--------	--------

PRACTICAL SPELLING LESSONS

151

The boys built a cabin on the vacant lot.

Write your initials on the index page.
